Can rotate 360°, allowing for easy adjustment to achieve the perfect shooting angle.

Accessory Compatibility:

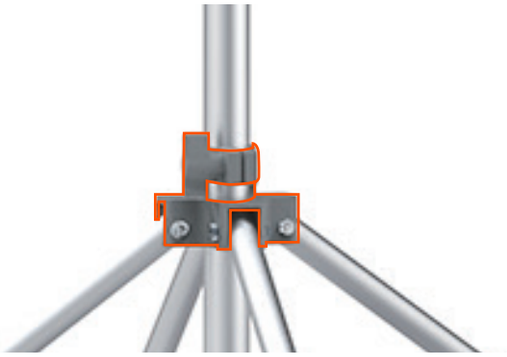

In addition to fitting a phone holder, it can also accommodate magnifying lens attachments.

5V USB Charging Port:

Conveniently solves phone charging issues.

6 Preparing your stand for use (part 1)

Leg stand slider

A Unscrew knob to loosen the adjustable leg stand slider

B Adjust leg stand slider down the pole until the stand legs are at the widest distance*

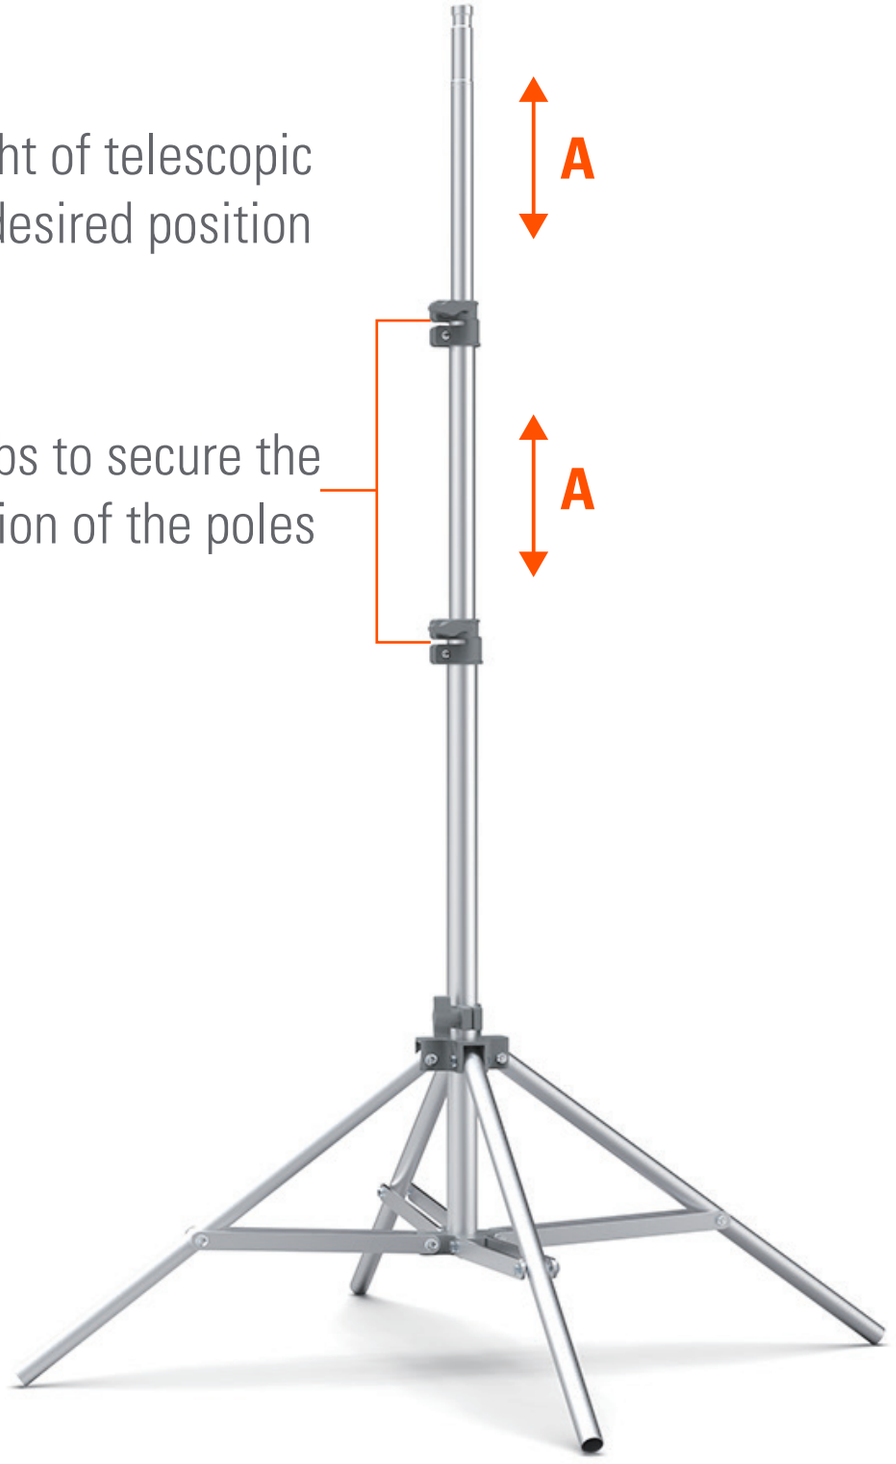

C Tighten knob to secure the adjustable leg stand slider

* Only use the stand when the legs are at the widest distance from each other

7 Preparing your stand for use (part 2)

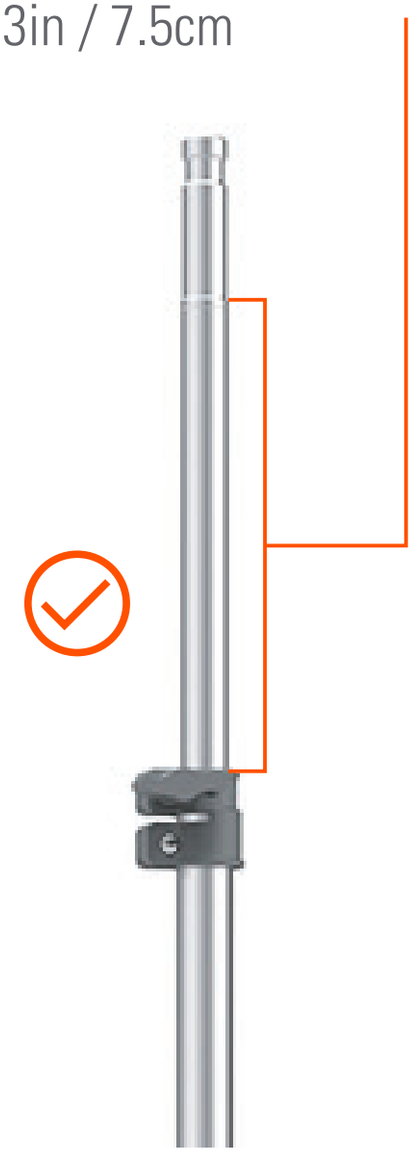

A Adjust height of telescopic poles to your desired position

B Tighten knobs to secure the position of the poles

8 Preparing your stand for use (part 3)

A Adjust height of top pole above the knob by a minimum of 3in / 7.5cm

Failing to follow this instruction can lead to breaking the power plug on the bottom of the light if contact is made with the knob

9 Mount your luminary onto the stand

10 Secure luminary by tightening knob

11 Plug power into bottom of luminary

Warranty / Guarantee

IMPORTANT

Thank you for purchasing this product. It has been made to demanding high-quality standards and is guaranteed for domestic use against manufacturing faults for a period of 12 months from the date of purchase.

This guarantee does not affect your statutory rights. If your product fails due to a defect in material or workmanship during this period, please contact GLAMCOR by email (realperson@glamcor.com) or return it to the place of purchase.

Normal wear and tear is not covered under the guarantee. Any guarantee is invalid if the product has been misused or subject to neglect or an attempted repair other than by our own service center.

Due to continuous product improvement, we reserve the right to change the product specification without prior notice.
